## VISION

Sewa International as a premier non-profit would live in a world of equality, where everyone is happy, enjoys good health, has equal growth opportunities and lives in balance with nature. In the event of any disaster, Sewa will be called in and be among the first to serve.

## MISSION

Sewa International serves humanity in distress, aids local communities, and promotes volunteerism. We engage our beneficiaries to be agents of change in development and strive to make progress broad-based.
